

Pediatric Cardiology Services Quick Reference Referral Information

We offer consultations 24 hours a day, seven days a week. Please Call 770-995-6684 and ask for the cardiologist on call if your patient requires immediate attention.

Submitting Patient Referrals

In order to assist the patient family and to ensure proper reimbursement for requested services, we ask that you generate a referral request from the patient's insurance plan if required. We are happy to assist you in getting these referrals obtained please call our billing department 770-995-6684 with any questions or if you need our assistance.

Fax all validated referrals to 770-995-7631
